GIVE YOU A SINGLE SOURCE WARRANTY

SUNDECKS | ROOF DECKS | BALCONIES | PATIOS | STAIRS | POOL DECKS | WALKWAYS

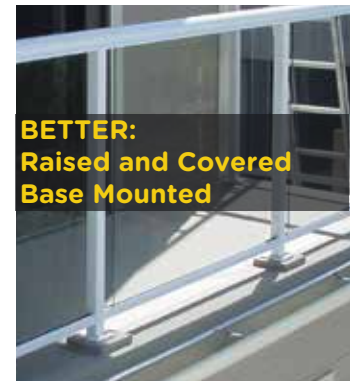

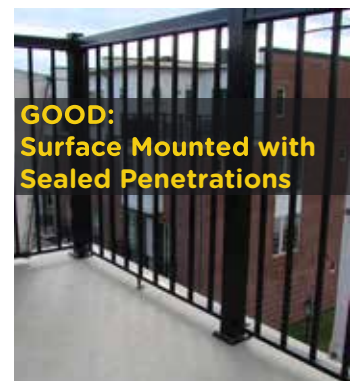

You don't let a plumber work on your car, so don't let a butcher work on your Duradek - even to install railings!!!

Mounting railing on a waterproof deck can go horribly wrong, if not done properly, resulting in major water damage causing mold, rot, and deterioration that can be very expensive to repair.

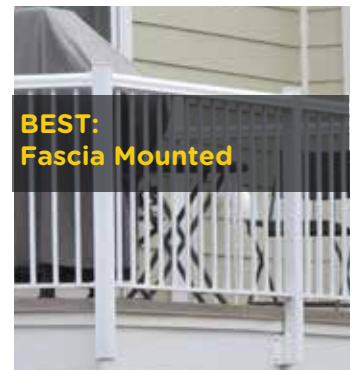

DISCOVER THE DURADEK AND DURARAIL DIFFERENCE

Your Duradek Specialist can install Durarail on your project and ensure a waterproof installation because of their keen skills and training. There are several mounting options that will ensure complete, long-term waterproofing as well as nearly limitless railing styles to choose from.

SINGLE-SOURCE WARRANTY

Protect your investment by having your Authorized Duradek applicator complete your Duradek outdoor living space with Durarail railings. This allows you to gain the benefit of Duradek/Durarail [Single-Source Warranty](#). Coverage for the entire outdoor living space in one, rather than multiple, warranty agreements.

Visit www.duradek.com/deck-railing for information on the many benefits and options Durarail offers to enhance your Duradek outdoor living space.
